### Description

Mini LED Multiple Spots for remodeling and new construction applications for residential and commercial environments. The Multiple Spots are marketed as complete units including the housing and trim. Available as one, two and three-light configurations, each spot is individually adjustable and provides a 30-degree visual cutoff for glare control.

### Features

Individually adjustable luminaries  
Complete unit includes housing & trim  
All housing can be made into Non-IC or IC Rated(ETL listed for IC Rated)  
30° vertical tilt, 360° horizontal rotation

### Construction

Trim and housing are constructed of Gauge Steel.

### Mounting

Supplied with 4 ways hanger bar, adjustable from 14½"-25" to accommodate various joist construction and grid sizes. Hanger bars include a captive mounting "screw-nail" for ease installation. Can be accommodate a 1/2" to 1 1/4" ceiling thickness.
